Ch 101 then work Tunisian foundation row or Tunisian simple stitch by inserting hook into chain yo and pull up a loop. With loop remaining on hook insert hook into next chain yo and pull up a loop (2 loops on Hook) continue to the end. Now work the foundation row return pass as follows. Ch 1 then yo over and pull through 1 loop on hook. Now *yo and pull through 2 loops on hook*. Continue between * to end of row.

Row 1 - 3. Do not ch at the beginning of any

row. With one loop on your hook work *1 TKS in each of first 3 stitches, then work TPS in each of next 3 stitches* and continuing with the pattern between * to the end of the row. In the last stitch in the row, work a TKS by inserting hook through 2 loops for a nice even strong finished edge.

Return pass Ch 1 do not turn, yo and pull through 1 loop then finish working the return pass by yo and pulling through 2 loops to the end of the row.

Row 4-6 With one loop on your hook work *1 TPS in each of first 3 stitches, then work TKS in each of next 3 stitches* and continuing with the pattern between * to the end of the row. In the last stitch in the row work a TKS by inserting hook through 2 loops for a nice even strong finished edge. .

Return Pass Ch 1 do not turn, yo and pull through 1 loop then finish working the return pass by yo and pulling through 2 loops to the end of the row.

Continue repeating each 3 row pattern of rows 1-3 and 4-6 to the desired length. Then tie off
