

Abbreviations

1.fs – First Stitch – Skip the first vertical bar of the previous row (the one right under the one on the hook). The loop on the hook will count as the first stitch for every row.

2.ls – Last Stitch – Pick up the two vertical bars of the last stitch of the previous row, yarn over, pull through both the vertical bars into a loop on the hook.

3.tks – Tunisian Knit Stitch – Insert hook in the space between the two vertical bars of the next stitch, pull through into a loop on the hook.

4.trs – Tunisian Reverse Stitch – Insert hook in the back vertical bar, yarn over, pull up a loop on the hook.

5.FR – Foundation Row

6.BOR – Bind Off Row

Instructions

FR: Chain 102.

This is the foundation row, make the stitches in the back loops of the chain.

Rows 1 – 14: fs, 100 trs, ls.

Rows 15 – 19: fs, 12 trs, (4 tks, 2 trs) * 12, 4 tks, 12 trs, ls.

Rows 20 – 21: Repeat Row 1.

Rows 22 – 105: Repeat rows 15 – 21.

Rows 106 – 116: Repeat Row 1.

BOR: Repeat Row 1.

You will make a slip stitch every time you pick up a loop on your hook. Fasten off and weave in ends.

Blocking

Since this project combines two different stitches, I highly recommend blocking your blanket before use.
