

TUNISIAN CROCHET DISHCLOTH

Chain 42.

Starting with the second chain from the hook, work TSS across.

Then alternate Forward and Return Pass Rows until the piece measures 8 inches (or until it is square).

Finish off and weave in the ends.

Two Stripe Washcloth

Following the Basic Washcloth pattern (see pattern, above), start with Color A and work until piece measures 5 5/8 inches from the beginning.

Change to Color B and finish. (Use Magic Knot – ask Sandi)

Three Stripes Washcloth

Following the Basic Washcloth pattern (see pattern, above), start with Color A and work until piece measures 5 inches from the beginning.

Change to Color B and work for 1 3/4 inches.

Change to Color C and finish.

Bordered Washcloth (see tutorial on next pages)

With Color A, make a Basic Washcloth (see pattern, above).

Insert the hook into the left side of a corner and with Color C, pull a loop through. Chain 1.

For the foundation edge, finish edge and right selvedge, you will insert the hook through both strands of each edge stitch:

And for the left selvedge edge, you will insert the hook through just one strand of each edge stitch:

Make a slip stitch into each edge stitch all the way to the next corner. Chain 1 at the corner.

Continue to make slip stitches along the remaining three sides, making a chain 1 at each corner.

Slip stitch into the beginning chain 1, cut the yarn and pull it through the remaining stitch.
Here's what the border looks like:

Block your washcloths and you're all done!
