FO white yarn and put on tapestry needle

Cut Yarns in 6-7" tails

Weave tapestry needle under 1st blank stitch
Pull yarn through
Put needle back down through center of last white st
Don't pull too tightly!
Holding eye with white yarn stitches on bottom, facing you, use white yarn to create eye highlight
Position of eye highlight: About 11 o'clock
Pull white yarn through twice (doubling the stitch)

Tie off all the long tails (3 times each) and cut yarns.
