## How to Crochet a Magic Ring

---

1. Make a loop over your fingers using the end of the yarn.

2. Insert the hook from front to back into the loop and draw up a loop and make a chain.

3. Go ahead and crochet over the loop and the yarn tail until the required number of single crochets for your project are in place for the first round, depending on the pattern.

4. Take the yarn tail between the thumb and forefinger of the left hand and pull. Draw the ring closed tightly around its center.
