Knit Texture App this is a preview of the app which has over 300 stitches available. All stitches have photos, diagrams, and written instructions. A growing knitter's stitch dictionary!

Knit Tools this app has essential tools we need as knitters. It offers common conversions, symbol explanations, computations for increases and decreases, a counter, a tick sheet and much more.

knitCompanion provides tools for tracking that let you focus on your knitting instead of spending time tracking rows, stitches, counters, and "at the same time" instructions. When you use knitCompanion you knit faster, make fewer mistakes and don't lose your spot.
